Re: Citrus County Central Landfill, Permit S009-187229  
Treated Leachate Effluent Percolation Ponds

Dear Mr. Butera:

Citrus County Division of Solid Waste Management is pleased to present the attached Groundwater Monitoring Plan for the treated leachate effluent percolation ponds. This report was prepared by our staff in accordance with Specific Condition 51 of the referenced operating permit. We will be glad to discuss any items contained in the report with you. Upon receipt of your approval of the plan, we will be prepared to implement it within the time frame outlined in the permit.

Sincerely,

*Susan J. Metcalfe*
