ASR Recycling Operations Relocation
Request for Additional Information

Dear Mr. Kaiser:

The Department received your request titled "Request for Approval - Relocation of Auto Shredder Residual Recycling Operations," dated and received June 25, 2012. Please provide written conformation of the following:

1. Upon relocation of the operations, the surface of the current location will be disrupted/tilled in order to facilitate drainage of leachate and to reduce the possibility of a hard pan layer as a result of the ASR operations.
2. The new location of the ASR operations will be in the active landfill footprint. No machinery, fluff, ASR or final product will be located or stored in the partially closed areas of the landfill.

If you have any questions, please contact me at (407) 897-4314 or by e-mail at kim.rush@dep.state.fl.us.

Sincerely,

Kimberly Rush, P.E.
