Re: Auto Shredder Fluff  
Lena Road Landfill

Dear Mr. Gray:

I appreciate hearing from you on this issue.

As we discussed, auto shredder fluff can be used as litter control inside the landfill. It is not approved for daily cover but that is not what you have been using it for. It should be considered just another type of solid waste and therefore requires daily cover itself when left exposed for more than 18 hours.

If you have any further questions you may call me at extension 382.

Sincerely,

Kim B. Ford, P.E.  
Solid Waste Section  
Division of Waste Management
