Modification Number 0013493-023-MM of Permit Number 0013493-017-SO
Rescission of the Leachate Sampling Requirement
Duval County - Solid Waste Permitting

Dear Mr. Hawkins:

This letter shall serve as Modification Number 0013493-023-MM of Permit Number 0013493-017-SO. This minor modification eliminates the requirement for leachate sampling that is specified in the permit's Specific Condition 40. It is based on changes to the leachate sampling requirements incorporated in the August 12, 2012, rule revision of Florida Administrative Code (F.A.C.) Chapter 62-701.

This modification, which is issued pursuant to Chapter 403, Florida Statutes, and F.A.C. Chapters 62-4 and 62-701, does not substitute for other permits that may be required by other local, state or federal agencies or by other Sections within the Florida Department of Environmental Protection.

If you have any questions or comments regarding this matter, please contact Michael Bogin by mail at the letterhead address, by e-mail at Michael.Bogin@DEP.State.FL.US or by telephone at 904.256.1579.

Sincerely,

Michael J. Fitzsimmons
Waste Program Administrator
