2011 Annual Report for a Yard Trash Processing Facility

Dear Sir or Madam:

Enclosed please find the 2011 Annual Report for the Lee County Yard Waste Processing and Recycling Facility. Please note that items 17 and 19a, are actual weights measured by our scale. Items 18, 19b, 20a and 20b are estimates, based on the volume and density of material processed during the year.

The Lee County Solid Waste Division contracted with Belcorp Inc. during 2011 to process our yard waste on site. The processed material is transported to the Lee/ Hendry Landfill for use in our composting operations and a portion of the material is provided for use by County residents.

If you have any questions or require additional information, please call me at (239) 533-8000.

Sincerely,

William T. Newman
