Processed Tires							
Processing Waste							
Other							
Total							

a. Explain all inventory adjustments.
739 tires were removed from the facility and shipped to a waste to energy facility to be used as fuel.

b. List any period in which one or more category of inventory exceeded the permitted maximum for that category. How was that condition relieved?

For any excess inventory at the end of the quarter, state how and when this condition will be relieved. Attach Additional sheets, if necessary.

9. Certification: To the best of my knowledge and belief, I certify the information provided in this report is true, accurate, and complete.
