Dear Mr. Mannella:

I have received your Application for Registration of a Yard Trash Processing Facility for West Pasco County Class III. The application is incomplete for the following reason(s):

- 1. You have not remitted the registration fee of \$35.00.
- 2. The Type of Facility was not marked.
- 3. The Federal Employer Identification (FEID) number for the registrant was not provided.
- 4. Contact person and telephone number was/were not provided.
- 5. Location where records will be kept was not indicated/provided.
- 6. Proof of owner permission was not provided or is inadequate.
- 7. A completed annual report was not included. A copy of the form is enclosed.
- 8. There appears to be an error on the annual report. Items 7 and 8 indicate that the site received (including what already was on the site at the start of calendar year 2000) 10,704 tons. Items 9 through 11 account for 10,686. This leaves 18 tons unaccounted for. A copy of the submitted annual report is enclosed.

Please send the necessary information within thirty (30) days to me at the above address, Mail Station 4565. If you have any questions, please contact me at this mailing address, or call 850/921-9977.

Re: Application for Registration of a Yard Trash Processing Facility - Pasco County

Dear Ms. Joyal:

Thank you for your letter of May 4, 2001, calling to our attention the 18 ton error in our estimates. Please adjust line 7b estimate processed yard trash on site at beginning of report year from 500 tons (estimate) to 518 tons estimate, which will put the application in proper balance.

I regret any inconvenience this may have caused you.

Sincerely,

RE: YT processing facility registration

Told him his "correction" doubled the error. He indicated that the material was probably still on site therefore item 7b should remain 500 tons and item 11b should be changed from 2312 to 2330 tons.
