Inspection Report – LGCS Expansion

Dear Ms. Grant:

On April 26, 2013 a representative of the Florida Department of Environmental Protection conducted an inspection of the next phase of the landfill gas collection system (LGCS) at the above referenced facility to determine the status of compliance with the Department's solid waste regulations. At the time of this inspection, the construction activities were being conducted in compliance with applicable Rules and permits. A copy of the inspection report is attached for your review.

Please contact me by telephone at (407) 897-4314 or by e-mail at [kim.rush@dep.state.fl.us](mailto:kim.rush@dep.state.fl.us) if you have any questions or need additional information.

Sincerely,

A handwritten signature in black ink that reads "Kimberly Rush". The signature is written in a cursive, flowing style.

On 4/26/13 a construction certification inspection was conducted for the installation of the next phase of the landfill gas collection system (LGCS). This phase consisted of the installation of 5 new gas wells, a condensate sump, and an expansion of the header pipe. The work was being done in cells 1 and 2. The 5 new gas wells installed were wells EW-5 through EW-9. At the time of this inspection, all installations were completed and the final survey was almost finished.
