Sumter County Solid Waste Processing Facility (Transfer Station)
Termination of Solid Waste Permits 126941-006-SC & 126941-007-SO

Dear Mr. Cottrell:

On July 26, 2013, you requested the termination of permits 126941-006-SC & 126941-007-SO, which are for the construction and operation of the Waste Processing Facility Citizen Drop-Off Transfer Station. The county operates the facility as a Citizens Drop-Off Area (CDA). Based on our March 25, 2013 inspection of the facility, we agree the CDA is not a transfer station. Per Rule 62-701.710(1)(c), F.A.C., operation of a CDA is exempt from solid waste permitting requirements. This letter terminates permits 126941-006-SC & 126941-007-SO.

Please contact Laxsamee Levin at (407) 897-4313 or Laxsamee.Levin@dep.state.fl.us if you have further questions.

Sincerely,

F. Thomas Lubozynski, P.E.
Waste & Air Resource Programs Administrator
