Subject: Vista Landfill Quarterly Landfill Gas Migration Monitoring, WACS ID 87081
Date: Monday, August 05, 2013 1:16:00 PM

Mr. Bermillo,

I have reviewed the "Quarterly Methane Sampling Report" you submitted to the Department on 7/31/13. The report shows methane gas was not detected at locations designated for monitoring at the time of the 7/25/13 monitoring event. Please continue the quarterly landfill gas monitoring as required by your solid waste permit. (I'm sorry I misspelled your name in my earlier email concerning Pine Ridge Landfill.)
