Approval of Certification of Construction Completion Report

Dear Ms. Grant:

The Department has completed the review of the report titled “Construction Certification Report, 2013 Landfill Gas Collection System Expansion, Vista Landfill,” submitted on your behalf by Carlson Environmental Consultants, PC. The report was dated and received July 31, 2013. The report and the DEP Form 62-701.900(2) was signed and sealed by Professional Engineer of Record, Mr. Seth A. Nunes, P.E., of Carlson Environmental Consultants, PC. On August 12, 2013 the Department sent letter OCD-SW-13-2741 requesting information regarding the drilling spoils of well EW-6. Your response dated August 20, 2013 was acceptable.

Based upon the review of the report, the information received in response to FDEP letter OCD-SW-13-2741, the site inspection on April 26, 2013 (letter and inspection report were sent on May 20, 2013, OCD-SW-13-1431), and the certification by the Professional Engineer of Record, the Department concurs that the 2013 LGCS expansion has been completed and is substantially consistent with plans and specifications approved by FDEP.
