a. Explain all inventory adjustments.  
On 7/11/13, a load of tires was removed from the site and sent to an incinerator to be used as fuel.

b. List any period in which one or more category of inventory exceeded the permitted maximum for that category. How was that condition relieved?

For any excess inventory at the end of the quarter, state how and when this condition will be relieved. Attach Additional sheets, if necessary.

9. Certification: To the best of my knowledge and belief, I certify the information provided in this report is true, accurate, and complete.
