Mr. Sigmond,

Please find attached the 2013 financial assurance cost estimate approval letter for the subject solid waste facility. In an effort to reduce costs and waste, our agency is moving to electronic, rather than paper, correspondence. This is the only copy that you will receive, unless you make a specific request.

Acrobat Reader 6.0 or greater is required to read the documents and is available for downloading at: <http://www.adobe.com/products/acrobat/readstep.html>.

Please feel free to contact me with any questions or concerns.

Thanks, Melissa

Bob,

I received your voicemail message. I apologize, but I have not yet had a chance to review the cost estimates for Pasco County. I should be able to get something out to you next week for the West Pasco Class I. However, since the West Pasco Class III permit was recently renewed, I will need to check with Tallahassee permitting staff to determine the current approved cost estimates for this facility. I also need to check with Steve Morgan about the status of the East Pasco closure, and he is out of the office until next week. Pasco County *may need* to submit revised forms to reflect any changes that have occurred since Joanne's initial submittals. I will let you know as soon as possible.

Please feel free to contact me with any questions or concerns.

Thanks, Melissa
