DEP, Central Dist.

RE: Global Tire Recycling Waste Tire Processing Facility
Permit No: 0136808-006-WT-02
WACS # 53122

Dear Solid Waste Financial Coordinator:

Enclosed you will find the completed 2014 Financial Assurance Cost Estimate Form for the above referenced facility. Our current trust fund balance with US Bank is currently sufficient to cover the inflation adjusted closure cost estimate at this time.

Please let me know if you need any additional information.

Sincerely,
Global Tire Recycling of Sumter County, Inc.

III. ESTIMATE ADJUSTMENT

40 CFR Part 264 Subpart H as adopted by reference in Rule 62-701.630, Florida Administrative Code, (F.A.C.) sets forth the method of annual cost estimate adjustment. Cost estimates may be adjusted by using an inflation factor or by recalculating the maximum costs of closure in current dollars. Select one of the methods of cost estimate adjustment below.

☒ (a) Inflation Factor Adjustment

☐ (b) Recalculated or New Cost Estimates

Inflation adjustment using an inflation factor may only be made when a Department approved closure cost estimate exists and no changes have occurred in the facility operation which would necessitate modification to the closure plan. The inflation factor is derived from the most recent Implicit Price Deflator for Gross National Product published by the U.S. Department of Commerce in its survey of Current Business. The inflation factor is the result of dividing the latest published annual Deflator by the Deflator for the previous year. The inflation factor may also be obtained from the Solid Waste website www.dep.state.fl.us/waste/categories/swfr or call the Financial Coordinator at (850) 245-8706.

This adjustment is based on the Department approved closing cost estimate dated: 6/12/2013

Latest Department Approved Closing Cost Estimate:	Current Year Inflation Factor, e.g. 1.02		Inflation Adjusted Closing Cost Estimate:
<u>\$76,150.00</u>	<u>1.017</u>	<u>x</u>	<u>\$77,444.55</u>

This adjustment is based on the Department approved long-term care cost estimate dated: _____

Latest Department Approved Annual Long-Term Care Cost Estimate:	Current Year Inflation Factor, e.g. 1.02		Inflation Adjusted Annual Long-Term Care Cost Estimate:
_____	_____	<u>x</u>	_____
Number of Years of Long Term Care Remaining:		<u>x</u>	_____
Inflation Adjusted Long-Term Care Cost Estimate:		<u>=</u>	_____
