Hi Cory,

Hope this note finds you well. Attached for your review is a permit application for a minor modification of the operation permit at the Volusia County's Tomoka Road Farms Landfill for a Citizen's Convenience Center (CCC). Additionally, I am also attaching an unsigned/unsealed set of drawings separately so that you could have a higher quality set available. I appreciate the assistance that the Department has provided in this matter, and look forward to answering any questions or concerns that you may have regarding the proposed CCC.

Due to the size of the attachments, I'd appreciate if you could inform me of receipt of this email. Thank you and have a wonderful weekend!
