Consolidated Tire – Waste Tire Processing Facility  
Approval of Closing Cost Estimate

Dear Mr. Mulberger:

The Department has reviewed the email submittal “Tire Disposal Agreement/Proposal” for Consolidated Tire, dated May 15, 2014. The submittal was a detailed cost estimate for the loading, hauling and disposal of 14,000 waste tires (100 tons). The closing cost is estimated at \$3,400 for 14,000 waste tires. The cost estimate is approved by the Department.

The documentation to demonstrate financial assurance must be sent to Susan Eldredge, FDEP Solid Waste Section, MS-4565, 2600 Blair Stone Road, Tallahassee, Florida 32399.

Please note, as a Waste Tire Processing Facility, the maximum amount of waste tires allowed on site at any one time is the amount for which financial assurance is demonstrated. Once you have demonstrated financial assurance at \$3,400, you are approved to store a maximum of 14,000 waste tires on site at any one time.

If you have any questions, please contact Kim Rush at (407) 897-4314 or by e-mail at [kim.rush@dep.state.fl.us](mailto:kim.rush@dep.state.fl.us) or contact Susan Eldredge by email at [Susan.F.Eldredge@dep.state.fl.us](mailto:Susan.F.Eldredge@dep.state.fl.us) or by phone at (850) 245-8740.

Sincerely,

Kimberly Rush, P.E.
