Dear Mr. Morris,

Attached please find a scanned copy of the Southeast County Landfill (SCLF) Sinkhole - Initial Assessment Monitoring Plan (IAMP) Report No. 38. This report provides the analytical data from the monthly sampling event conducted at the SCLF on October 2, 2013, and a hard copy will be sent to your attention via the USPS. As required, the ADaPT files from this sampling event are also provided, and I have copied Clark Moore in Tallahassee on this e-mail. As requested by Susan Pelz, I have also submitted this monthly report to the SWD_Waste@dep.state.fl.us mailbox. Should you have any questions or require any additional information, please feel free to call me at 813-663-3221.

Respectfully,
