

CERTIFICATION

JED Solid Waste Management Facility – Certification of Construction Completion

Class I Landfill – Cell 10 Construction

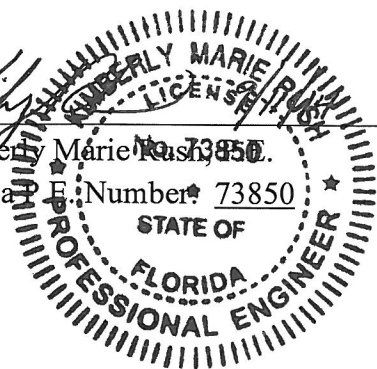

The following documents were submitted in support of the Cell 10 construction project:

- “Final Certification Report, JED Cell 10 Construction,” submitted by Brantley Engineering, LLC. The report was dated July 21, 2014. The Certification form was signed and sealed on July 21, 2014 by the Professional Engineer of Record, Allan S. Brantley, P.E. The report was received by the Department on July 22, 2014.
- “Cell 10 Leachate System Startup Reports,” submitted on September 9, 2014.
- Email discussion and revised Figures 1 and 2 regarding clarifications to the Cell 10 certification report. Emails were sent and received between July 30, 2014 and August 1, 2014 and are available for review in Oculus as two separate documents.

I HEREBY CERTIFY that the engineering features described in the referenced Certification of Construction Completion and supporting information for the construction of Cell 10 at the JED Solid Waste Management Facility Class I Landfill provide reasonable assurance of compliance with the applicable provisions of Chapter 403, Florida Statutes, and Florida Administrative Code Title 62. However, I have not evaluated and I do not certify aspects of the proposal outside of my area of expertise (including but not limited to the electrical, mechanical and structural features).

Kimberly Marie Rush, P.E.
