Subject: Permit Nos. SC48-0165969-001 & SO48-0165969-002

Dear Mr. Bradner:

We request a temporary suspension of our time sensitive permit conditions until such time that our Orange County Solid Waste permit is issued. This would include the suspension of the Monitoring Plan implementation which is required to begin within 60 days from the date of permit issuance (March 5, 2001). We anticipate our County application going before the Orange County BCC in the very near future. Once the County permit is issued, we will notify your office and proceed with implementing all FDEP permit conditions.

If you have any questions concerning this request please feel free to contact me at 407-296-0016.

Sincerely,

Ed Chesney, P.E.
Project Engineer
