RE: Florida Crushed Stone Tire Fuel Preparation Area
Financial Assurance Cost Estimates
Permit No.: 22787-002-WT, Hernando County

Dear Mr. Venable:

This letter is to acknowledge receipt of the cost estimates dated April 3, 2002 (received April 5, 2002), for closure of the FCS Tire Fuel Preparation Area. The cost estimates received April 5, 2002 (total for closure \$19,475), are **APPROVED for 2002**. The next annual update (revised or inflation-adjusted estimates) is due no later than **March 1, 2003**.

A copy of these estimates will be forwarded to Mr. Fred Wick, Financial Coordinator, Solid Waste Section, MS#4565, FDEP, 2600 Blair Stone Road, Tallahassee, Florida 32399-2407. Please work with him directly to assess the facility's compliance with the funding mechanism requirements of Rule 62-711.500(3), F.A.C. If you have any questions, you may contact me at (813) 744-6100 ext. 386.

Sincerely,

Susan J. Pelz, P.E.

RE: Florida Crushed Stone (FCS); Tire Fuel Preparation Area
Financial Assurance Cost Estimates – Permit No. 22787-002-WT

Dear Ms. Pelz:

The maximum allowable quantity of used tires to be stored at FCS' tire processing facility is 205 tons. The attached letter from Wheelabrator Ridge Energy Inc. indicates a disposal (retrieve, haul, unload and dispose) cost of \$95.00 per ton. This cost also includes derimming as necessary.

The maximum anticipated disposal cost of waste tires stored at this facility is \$19,475.00 for calendar year 2002. Should you need further information, please contact me at (352) 799-7881.

Sincerely,

Brooksville, FL 34601

Dear Mr. Venable:

Per your request, we are pleased to provide the following proposal for waste tire disposal in the event of site closure at your facility in Brooksville, Florida.

Retrieve, haul, unload, and dispose of whole waste tires loaded into semi-trailers at a cost of \$95.00 per ton.

Please call me should you have any additional needs.

Sincerely,

Phil Tuohy
Director of Business Development
