RE: Hardee County Class I Landfill, Phase II Section II Construction Certification
Permit Number 38414-015-SC/01
WACS No.: 40612

Dear Mr. Strickland,

The Department has reviewed the following information prepared in support of the Certification of Construction Completion for Phase II of Section II of the Hardee County Landfill received on April 22, 2015 and additional information received on April 29, 2015.

- Certification of Construction Completion Report-Hardee County Landfill Phase II Section II Expansion received April 22, 2015 prepared by SCS Engineers.
- Results of water pressure cleaning & video inspection of leachate collection and groundwater collection system piping for Phase II Section II received April 29, 2015.

Based on the Department's review of the construction certification report referenced above and except for the construction deviations noted in Section 2.4 of the Certification Report, Phase II Section II was constructed substantially in accordance with the approved design and construction requirements of Construction Permit Number 38414-015-SC/01. The Department therefore approves the certification of construction completion of Phase II Section II of the Hardee County Class I Landfill.

Mr. Steve Strickland
