Subject: Notification of Geosynthetic Liner Installation – Cell 13 Disposal Area
JED Solid Waste Management Facility
Omni Waste of Osceola County, LLC
Osceola County, Florida
Permit No. SC49-0199726-017

Dear Mr. Lubozynski:

Omni Waste of Osceola County, LLC is hereby notifying the Florida Department of Environmental Protection (FDEP), Central District, that installation of geosynthetic liner will commence on or about March 1, 2016 for the Cell 13 disposal area at our JED Solid Waste Management Facility. Specific Condition 11 of the above listed facility permit requires notification to the FDEP within 10 days of commencement of liner installation work in any cell. Earthwork activities commenced on December 1, 2015. I will follow-up with an e-mail confirmation of the start-up date as we get further along on the project.

Feel free to contact me at (904) 673-0446 or by e-mail at michael.kaiser@progressivewaste.com if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Mike Kaiser". The signature is written in a cursive, flowing style.
