Dear Mr. Lubozynski:

The purpose of this letter is to inform the Florida Department of Environmental Protection (FDEP) that the sampling of the Phase 1 through 4 groundwater monitoring well network and surface water locations SW-3 and SW-4 is scheduled to commence on or about May 4, 2016. The monitoring event will be conducted in accordance with the current Monitoring Plan Implementation Schedule (MPIS) [Appendix 3 of the Permit]. The work will be performed over an approximate two week period. This notification satisfies the requirements as described in specific condition 21 of the MPIS and Rule 62-701.510(8)(a) F.A.C. This will be the twenty fourth semi-annual water quality monitoring event performed at the facility.

If you have any questions or need additional information, please feel free to contact the undersigned at (813) 943-8633 or by email at joseph.terry@progressivewaste.com.
