SUBJECT: Review of Stormwater Aspects of Operating Permit Renewal Application,
Longleaf C&D Disposal Facility, 17-0253281-006-SO, Rec'd 02/11/2011

I've review the subject operating permit renewal application as requested by your memorandum of 02/14/2011. Based on the information provided, it appears no ERP stormwater permitting is required.

I'm returning the materials herewith, attached.
