Lauren,

Thanks for the email. I've completed the renewals for Bearss and Largo.

The YTPF for the Lakeland site is the area to the right of the scale when entering the facility, or the west 4 acres of the site.

The YTPF for the Enterprise Rd site is the 6 acres directly north of the Waste Tire Processing Facility.

I've attached aerials showing the approximate location for these operations.

Please let me know if you need anything else.

We like to have this information included as part of the application for new facilities.

In addition, there are two other Angelo's yard trash facility registrations that will need to be renewed:
