Attached is the Second Semiannual 2016 Compliance Monitoring Report for the Citrus County Central Landfill (WACS ID 39859) with all associated ADaPT files.

Please note that due to recent changes to our internal firewall, we can no longer send or receive files with a .zip file extension. The .zip file extension on the ADaPT file has therefore been changed to ._ip for email purposes. Please change the extension back to .zip before attempting to open the file.

If you have any problems opening the attachment or questions concerning the report, please feel free to contact me.

Thank you,
