Dave:

Good afternoon. Thanks for the update regarding the submittal of the summary report related to the investigation of site conditions in proximity to well TH-67. Please send the document via e-mail. In the event that file is too large to be sent via e-mail please let me know and I'll set up a folder on the Department's FTP site.

Your assistance is appreciated.

John

Permitting Consistency Initiative: The Florida Department of Environmental Protection is committed to providing efficient, consistent and quality service to the citizens of Florida. In keeping with these objectives, we are pleased to announce ongoing improvements to our permitting process by standardizing and simplifying our documents. During the fall of this year, the Department will begin issuing permitting correspondence formatted consistently throughout all programs. Although the document formatting will look different from past correspondence, please be assured that the content continues to be driven by applicable Rule and Statute. As always, if you have any questions, please contact your local DEP District office.

Dear Mr. Morris,

As we discussed yesterday, the County requests a time extension for the submittal of our response document regarding the Southeast County Landfill. As requested, we will submit the response document by August 23, 2016. Should you have any questions or wish to further discuss this matter, please feel free to call me.

Respectfully,

David S. Adams, P.G.
