Attached is the recent fire inspection for both the East Pasco Transfer Station and the West Transfer Station. I will send another email that has additional information pertaining to the inspection.

Sincerely,

John Power
Solid Waste Director
Pasco County

Subject: Inspection

Hello Mike,

I am out of the office until Wednesday November 23rd. I tried to contact you in regards to payment, if you are in the office on Wednesday and would like to contact me to take care of the payment that would be great otherwise we can catch up after the holiday!

We are pleased to present you with this latest Life Safety / Fire Protection testing and inspection report. System deficiencies may have been identified during our Testing and are noted as such at the end of the report. System deficiencies may impair / impede performance of equipment involved if called upon in the event of a fire. Your system deficiencies will be evaluated by a member of our Service Team directly from this report and they will be in touch shortly to provide you with some answers.

VSC Fire and Security offers all Life Safety / Fire Protection Services. Please do not hesitate to contact us if you would like us to provide any additional services or proposals for services.

We thank you for the opportunity to service all of your Fire Alarm, Fire Sprinkler, Hood System, Extinguisher, FM200 or Special Hazard Systems.

Please do not hesitate to contact us should you have any questions.

Happy Holidays!

Jennifer
