* The Landfill Operator shall:

- 1) Weigh all solid waste as it is received;
- 2) Record, in tons per day, the amount of solid waste received;
- 3) Estimate the amount received by waste type as listed in this table; and,
- 4) Compile the reports monthly, and send copies to the Department quarterly.
- 5) The first line for each waste type represents the waste amount from Manatee County.
- 6) Waste from other counties shall be identified by county of origin and amounts received on the lines below each waste type.
