Re: Application Complete
Orange County – Solid Waste
Facility Name: Vista Class III Landfill
Facility ID: SW WACS # 87081
DEP Application No.: 0135969-030-SO

Dear Mr. Hawkins:

Thank you for your application for Solid Waste Construction Permit and Operation Permit Minor Modification for the above referenced Facility. The original permit application was dated September 12, 2017 and received September 19, 2017. The application, DEP Application No. 0135969-030-SO, is considered complete. The Department will make every effort to issue the final agency action as quickly as possible.

Your application submittal included a revised "Closure Cost Estimating Form 62-701.900(28) for the Vista Class III Landfill. The document was signed and sealed by Glenn Semanisin, P.E., of Grove Scientific on September 18, 2017. The document included recalculated estimated closing costs for the existing Cells 1 through 4, and added closing costs for Cell 5 (45.3 acres in total), as well as recalculated annual long-term care cost estimates for the 30-year long term care of the facility.

The total closing cost estimate provided in the Cost Estimate Form is estimated to be \$5,708,490.57

The total long-term care estimate provided in the Cost Estimate Form is estimated at \$3,466,808.79 (\$115,560.29/year x 30 years).

The above closing and long term care cost estimate totals are approved by the Department.

The documentation to demonstrate financial assurance must be sent to Susan Eldredge, FDEP Solid Waste Section, MS-4565, 2600 Blair Stone Road, Tallahassee, Florida 32399. Before the modification permit can be issued, you must update the financial assurance mechanism. If you have questions regarding financial assurance documentation, please contact Ms. Eldredge at (850) 245-8740 or by e-mail at Susan.F.Eldredge@dep.state.fl.us.
