Request to Rescind Permit Number 0314658-002-WT-TO

On September 21, 2017, you submitted a request to rescind the Permit number 0314658-002-WT-TO, to operate the waste tire processing facility referenced above. On October 10, 2017, Department personnel conducted an inspection at the facility to verify that all used/waste tires were removed, and the facility was properly closed.

Based on the results of the inspection, Department determined that closure activities conducted at the facility were complete. Therefore, the facility is permanently closed and your request to rescind the permit is approved. A copy of the inspection report is attached for your records.

Please note this facility is permanently closed, and the permit cannot be re-used. If you wish to conduct any future operations regarding waste tire storage and processing at this site, will need to apply and secure a new permit.

Should you have any questions, please contact Gloria-Jean DePradine at 407-897-4312 or via e-mail at Gloriajean.Depradine@dep.state.fl.us
