Dear Mr. Morgan,

In accordance with Part 9.1.2 of the Southeast County Landfill Leachate Management Plan, attached please find an electronic copy of the 4th Quarter 2017 Effluent Analytical Data Report. As required, the AdaPT files for the three monthly reports are also provided, and I have copied Clark Moore and the AdaPT mailbox. The LDD was made using the Master Library 20170501 and the radionuclides were made using the Regular DWM Library. Should you have any questions or wish to discuss the information submitted, please do not hesitate to call me at (813) 663-3222.

Best Regards,
