Re: Response to the DERM Request For Additional information #1 (RAI #1) letter dated January 08, 2018 pertinent to a FDEP Waste Tire Processing Facility permit renewal application for the MMD Enterprises, Inc. facility located at, near, or in the vicinity of 9975 NW 88 Avenue, Miami Dade County, Florida; FDEP Project No. 307930-002-WT/ FDEP WACS No. 100118; DERM File No. SW-1713.

Dear Mr. Dammous:

The Environmental Permitting Section (EPS) of the Department of Regulatory and Economic Resources (RER)-Division of Environmental Resources Management (DERM), under delegation by the Florida Department of Environmental Protection (hereafter jointly referred to as the Department), hereby acknowledges receipt of the referenced submittal on January 25, 2018. **This letter supersedes the letter dated February 23, 2018 previously issued in error by DERM.**

- This letter constitutes notice that a permit will be required for your project pursuant to Chapter(s), Florida Statutes.
- Your application for permit is complete as of xx-xx-xxxx and processing has begun. You are advised that the Department under Chapter 120, Florida Statutes, must take final action on your application within ninety (90) days unless the time is tolled by administrative hearing.
- Your application for permit remains incomplete. Please provide the information requested on the attached sheet within forty-five (45) days of receipt of this letter. Evaluation of your proposed project will be delayed until all requested information has been received.
- The submittal to the referenced RAI was reviewed and deemed incomplete. Therefore, the additional information requested in the (attached) shall be submitted within forty five (45) days from the date of this letter. Further evaluation of the permit modification will be delayed until the outstanding RAI items have been addressed.
- At this time, no permit is required for your project by the Solid Waste Section. Any modifications in your plans should be submitted for review, as changes may result in permits being required. This letter does not relieve you from the need to obtain any other permits (local, state or federal) that may be required.

If you have any questions regarding the above, please contact Francisco T Calleja, P.E. or Johnny Vega, P.E. of the DERM EPS at telephone number (305)372-6600 or via email respectively at callef@miamidade.gov and vegajo@miamidade.gov.

Sincerely,

Rashid Z. Istambouli, P.E., Chief
Pollution Regulation Division

REQUEST FOR ADDITIONAL INFORMATION No. 1 (RAI#2)

In order to complete the review of the referenced application pursuant to Section 403.087(4), Florida Statutes (F.S.), Chapter 62-701, Florida Administrative Code (F.A.C.), please address the following Request for Additional Information (RAI) comments noted below.

1. Response accepted as of January 25, 2018.
2. Response accepted as of January 25, 2018.
3. Please refer to the Closure Cost Estimate approval dated February 22, 2018 provided under separate cover. Be advised that the completion of this item is contingent upon receipt of the FDEP Solid Waste Financial Coordinator's approval of a financial assurance mechanism in the amount of \$14,160.00.

Additionally, be advised of the following:

- A. Based on the receipt date of the referenced permit renewal application and pursuant to Rule 62-701.320(10), F.A.C the renewal application is considered timely and sufficient. Therefore, the existing permit shall remain in effect until the renewal application has been finally acted upon by the Department.
- B. If necessary, a meeting may be scheduled with DERM to discuss the comments of this letter. Said meeting shall be requested within seven (7) days of receipt of this letter. Please contact the reviewer listed at the end of page #1 to make the appropriate arrangements.
- C. When responding to this Request for Additional information (RAI), if a response modifies a section of the documents, the respective section(s) should be updated accordingly. A revised, complete version of the documents that includes all revisions made in responding to this RAI should be attached. To enable the Department to view changes to the documents, all additions should be underlined (e.g., added) and all deletions should be struck through (e.g., ~~deleted~~). Additionally, the submittal should make a positive statement that all revisions have been tracked in the aforementioned way. By this method, the Department hopes to have one final version of the respective documents that includes all revisions made during this permitting process.
- D. If your responses involve the practice of engineering or geology, as defined in Chapters 471 or 492, Florida Statutes respectively, please have that work signed and sealed by a professional engineer or professional geologist as appropriate.
- E. Pursuant to Section 120.60(2), Florida Statutes, the Department may deny an application, if the applicant, after receiving timely notice, fails to correct errors and omissions, or supply additional information within a reasonable period of time.
