Gilchrist County – Solid Waste

Dear Mr. Bischoff:

A compliance inspection was conducted at your property on July 11, 2018, and a follow-up inspection on August 10, 2018, under the authority of Section 403.091, Florida Statutes (F.S.). During these inspections, potential non-compliance was noted. The purpose of this letter is to offer compliance assistance as a means of resolving this matter.

Specifically, potential non-compliance with the requirements of chapter 403, F.S., and Chapter 62-701, Florida Administrative Code (Fla. Admin. Code) were observed. Please see the attached inspection reports for a full account of Department observations and recommendations.

We request you review the items of concern noted and respond in writing within **15 days** of receipt of this Compliance Assistance Offer. Your response should include one of the following:

1. Describe what has been done to resolve the non-compliance issues or provide a schedule describing how/when the issues will be addressed (see the "Corrective Action" sections of the report).
2. Provide the requested information, or information that mitigates the concerns or demonstrates them to be invalid, or
3. Arrange for the case manager to visit your facility to discuss the items of concern.
