[External]

Hi Joseph,

Thank you for asking; the location of the meeting was something that I wanted to clear up eventually.

Yes, we would like for the meeting to be held in our office. I believe that the "LOCATION - SCLF" referenced may have been automatically added in (by Outlook?) sometime during the forwarding of the meeting invite; originally the meeting invite did not have a location set.

I have reserved for the meeting date (Thursday Aug 2 @ 10:00AM) our main conference room at the Southwest District office. This is the same large conference room that last year's 10/12/2017 meeting was held in. The room can fit 30+ people round-table and is equipped with an overhead projector taking VGA input and a dry-erase board

I also need to fill out a meeting attendee sheet for our Clerical section; I compiled the following based off of the current Outlook meeting acceptances (and phone numbers from past received emails), does this look correct to you? Thanks.

Hillsborough County

- Kim Byers ; byerk@hillsboroughcounty.org ; ???-???-????
- Larry Ruiz ; ruizle@hillsboroughcounty.org ; ???-???-????
- Joseph O'Neill ; oneillj@hillsboroughcounty.org ; 813-663-3223

Good Morning Benjamin,

When the OUTLOOK meeting invite was sent out it had for LOCATION - SCLF

I just want to clarify that we are meeting at the SW District office and not the Southeast County Landfill.

Thank you

Good Afternoon Kelly,

Is Aug 2 @ 10am still available?

If so, that works for us.

Thank you very much
Joe

Good Afternoon

RE: Submittal of Supplement Liquid Level Reports (UF/Pelz Environmental)
SCLF, Hillsborough County

We meet with SCS Engineers/UF/Pelz Environmental today to go over their assessment and report findings with regards to the Corrective Actions Plan (CAP).

Updated Schedule;

- 1) Final Report(s) due to the County July 2 (Monday).
- 2) County Review and incorporation of findings into the CAP July 2 -6th.
- 3) Submit UF/Pelz/SCS Corrective Action Plan by July 13th(Friday).

Thank you for your patience, the assessments and findings were more work than original anticipated. We feel we have a better understanding of the liquid levels and the collection system with the assessment.

I would like to recommend that UF/Pelz/SCS/County and the Department meet sometime in Late July/Early August so all parties can discuss the actions to-date, the assessment, and the plan for Corrective Action Plan as well as submittal of the Alternative Procedure. FDEP-Tallahassee may want to attend since some findings may be utilized in the Alternative Procedure.

Please check your calendars and let me know several date/times and I will make coordinate with our team.

Thank you,

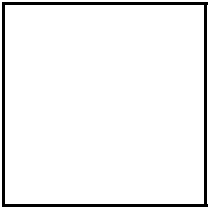

Joseph H. O'Neill, P.E.
