Re: Hillsborough County – Solid Waste
First Request for Additional Information (RAI)
Facility Name: Southeast County Waste Tire Processing Facility
Facility ID: 41193
DEP Application Nos.: 126787-006-WT-IM

Dear Ms. Byer:

Thank you for your application for an intermediate modification to Southeast County Waste Tire Processing Facility Operation Permit No. 126787-005-WT-02. The application dated December 27, 2018 was prepared by CDM Smith, Inc., and received on January 2, 2019. Based on the Department's review, the application is incomplete at this time.

In order for the Department to continue processing your application, please submit the information requested below as soon as possible:

1. Permit No. 1267787-005-WT-02 authorizes the use of processed tires as daily cover and in landfill construction. The application for this modification states the tires will no longer be shredded onsite and will be stored without specifying their use or final disposal method. Please provide the following information:
 - a. Proposed use or disposal method for the stored tires.
 - b. The maximum daily throughput, the planned daily throughput and the annual throughput.
 - c. A description of how 75% of the annual accumulation of waste tires will be removed for disposal or recycling. (Regulatory Reference 62-711.530(6) F.A.C.)
2. A description of stormwater control measures and measures to divert stormwater or floodwaters away from the storage piles. (Regulatory Reference 62-711.540(3)(a)).

The Department must receive a response within 90 days of the date of this letter, May 1, 2019, unless a written request for additional time to provide the requested information is submitted and approved. You are encouraged to contact this office to discuss the items requested to assist you in developing a complete and adequate response. Please note that pursuant to 62-4.055(1), and Section 120.60, Florida Statutes, failure of an applicant to provide the timely requested information by the applicable deadline may result in denial of the application. You are encouraged to contact this office to discuss the items requested to assist you in developing a complete and adequate response.

If your responses involve the practice of engineering or geology, as defined in Chapters 471 or 492, Florida Statutes respectively, please have that work signed and sealed by a professional engineer or professional geologist as appropriate. Please submit one hard copy and one electronic copy of the requested information to the Department and reference the above permit numbers in your correspondence.

If you have any questions, please feel free to contact Phil Ciaravella by telephone at 850-245-8742 or by email at Philip.Ciaravella@dep.state.fl.us.

Sincerely,

Philip Ciaravella
