Subject: Hillsborough County Southeast County Landfill Pump Station 2 Construction Notification Email

The Hillsborough County Infrastructure Services, Solid Waste Management Division hereby submits a notification of construction activities for Pump Station 2, outlined in the most recent modification to the Southeast County Landfill Operations Permit number 35435-026-SO-MM, approved on December 3, 2018. Construction activities are planned to commence on April 9, 2019, and are expected to take approximately one month to complete.

We are happy to accommodate FDEP representatives during any phase of construction. Please let us know if you have any questions or require additional information.

Thank you,
