Re: Charlotte County - SW  
3G's Recycling Resources  
Solid Waste Transfer Station  
Notification of Use of  
General Permit  
General Permit No. S008-209090

Dear Mr. Giacobbe:

In response to your request, this letter is to advise you that the Department has received your notice of intent to use a General Permit as provided in Florida Administrative Code (F.A.C.) Rule 17-701.091 (attached) to operate a Solid Waste Transfer Station at Cooper Street (off U.S. 41) Punta Gorda, Charlotte County, Florida and does not object to your use of such General Permit. Please be advised that you are required to abide by all conditions in F.A.C. Rules 17-4.510 through 17-4.540 (attached) and all conditions of F.A.C. Rule 17-701.801 (attached).

This facility's permanent identification number is 5208P07503. Please use this number and the permit number on all reports and correspondence concerning this project. This permit or a copy shall be kept at the facility site.

You are advised that notification, if you wish to renew the permit, is required 30 days before its expiration date of March 9, 1997. If you need further information, please call Ghaus Minhaj at (813) 332-6975.

Note: In the event of an emergency the permittee shall contact the Department by calling (904) 488-1320. During normal business hours, the permittee shall call (813) 332-6975.

Sincerely,

Philip R. Edwards  
Director of  
District Management

CERTIFICATION BY APPLICANT AND ENGINEER OR PUBLIC OFFICER

A. Applicant

The undersigned applicant, or authorized representative of \_\_\_\_\_ is aware that statements made in this form and attached information are an application for a

PERMIT from the Florida Department of Environmental Regulation and certifies that the information in this application is true, correct and complete to the best of his knowledge and belief. Further, the undersigned agrees to comply with the provisions of Chapter 403, Florida Statutes, and all rules and regulations of the Department. It is understood that the Permit is not transferable, and, the Department will be notified prior to the sale or legal transfer of the permitted facility.

John Giacobbe  
Signature of Applicant or Agent  
John Giacobbe  
Name and title  
Date: 2-14-92

Attach letter of authorization if agent is not a governmental official, owner, or corporate officer.

B. Professional Engineer Registered in Florida or Public Officer as Required in Section 403.707 and 403.7075, Florida Statutes

This is to certify that the engineering features of this resource recovery and management (Transfer Stn.) facility have been designed/examined by me and found to conform to engineering principals applicable to such facilities. In my professional judgement, this facility, when properly maintained and operated, will comply with all applicable statutes of the State of Florida and rules of the Department. It is agreed that the undersigned will provide the applicant with a set of instructions of proper maintenance and operation of the facility.

Gentlemen:

TRANSFER OPERATION

1. We will receive demolition and construction debris - concrete, wood, metal, etc.
2. Materials to be dropped off at the site onto ground.
3. We will then go through these materials and separate the loads by manual labor.
4. Materials not accepted: tires, appliances, furniture, rugs, batteries, oil base paints and containers, yard waste, solid waste and toxic waste.
5. After sorting through these materials we will bring all materials to a permitted landfill. *Recyclable materials will be sold to recycling companies.*
6. There will be a payloader on site to move materials around and for disposing of materials.
7. Estimate cost for fence, perm, parking, easement - \$15,000-20,000.
8. Estimated star-up time, March or April, 1992.

Sincerely yours,

John Giacobbe

CERTIFICATION

Application No. 209090  
(3G's Recycling Resources, Solid Waste Transfer Station)

I HEREBY CERTIFY that the engineering features described in the above referenced application provide reasonable assurance of compliance with applicable provisions of Chapter 403, Florida Statutes, and Florida Administrative Code Title 17. However, I have not evaluated and I do not certify aspects of the proposal outside of my area of expertise (including, but not limited to, the electrical, mechanical, structural, hydrological, and geological features).
