Facility Name: Webber Recycling, LLC (Waste Tire Processing Facility)  
Facility WACS I.D. Number: 106211  
DEP Application Number: 378243-001

Dear Ms. Yang:

Thank you for your application for construction and operation of a Waste Tire Processing Facility submitted on July 15, 2019, for the above referenced Facility. A review of your application and supporting documentation indicates the application is incomplete. Please provide the information in the attached document and refer to this RAI in your response. The response to this RAI must be signed, sealed, and dated by a registered Florida Professional Engineer.

To continue the processing of your application, the Department must receive a response within 90 days of the date of this letter, unless a written request for additional time to provide the requested information is submitted and approved. It is the Department's desire to provide prompt turnaround times on permit applications, and a quicker response to this RAI shortens the timeframe for which a final decision on the application can be made. Pursuant to Rule 62-4.055(1), F.A.C. and Section 120.60, F.S., failure of an applicant to provide the timely requested information by the applicable deadline may result in denial of the application. You are encouraged to contact this office to discuss the items requested to assist you in developing a complete and adequate response.

Your processor, Michael Bogin, can be contacted at 904-256-1579, or by email at [Michael.Bogin@FloridaDEP.gov](mailto:Michael.Bogin@FloridaDEP.gov). Please submit the response by email to [DEP\\_NED@FloridaDEP.gov](mailto:DEP_NED@FloridaDEP.gov) with a copy to [Michael.Bogin@FloridaDEP.gov](mailto:Michael.Bogin@FloridaDEP.gov). If the submit is very large, you may post it to a folder on this office's ftp site at: <ftp://ftp.dep.state.fl.us/pub/incoming>. After posting the submittal, send an email to [DEP\\_NED@FloridaDEP.gov](mailto:DEP_NED@FloridaDEP.gov), with a copy to [Michael.Bogin@FloridaDEP.gov](mailto:Michael.Bogin@FloridaDEP.gov) alerting us that it has been posted.
