Steven and Scott,

Please see attached First Semi-Annual Monitoring Report for 2019 and ADaPT files for the Lena Road Landfill (WACS ID 44795). These files have also been submitted through the FDEP Business Portal; however, I was only able to upload the first set of ADaPT files (dated 4/22/2019) to the FDEP Business Portal. The second set of ADaPT files (dated 7/5/2019) from the resampling event is attached to this email. I copied the ADaPT shared email box, as instructed, for submittal of those ADaPT files.

Please let me know if you have any questions.

Thank you,

Whitney Rodriguez, P.E.
