

**Public Notice of Receipt of Application  
State of Florida  
Department of Environmental Protection  
Notice of Application**

FDEP 2019 JUL 29 PM4:33

The Department announces receipt of an application for a permit from Webber Recycling, LLC to substantially modify the Lou Webber Tire and Automotive facility. Included in the application are proposals to convert the existing tire store into a clean, indoor, environmentally friendly, quiet, scrap tire processing facility with an electric shredder. The facility is located at 2203 Hamilton Street, Jacksonville, Duval, Florida. The Department file number for the project is 286801-017.

This application is being processed and is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at 8800 Baymeadows Way West, Suite 100, Jacksonville, Florida. Any comments or objections should be filed in writing with the Department at this address. Comments or objections should be submitted as soon as possible to ensure that there is adequate time for them to be considered in the Department's decision on the application."
