Melissa,

Can the County get one more site added to the temporary debris list? It's a Bowling Green address in the Commerce Park at the SW corner of the park expansion just off Old Bradenton Rd. The attached scan has the area marked with red ink over an aerial photo. Please let me know today if possible.

Ken,  
The following sites are pre-authorized for 2019 (letter attached). The sites cannot be "activated" until an emergency final order has been issued for your county. However, the pre-authorization letter will give you the ability to open as a temporary DDMS while requesting activation of these sites after the storm if necessary.

HARDEE	100024	FT GREEN
HARDEE	40612	HARDEE COUNTY REGIONAL LANDFILL
HARDEE	100025	TRIANGLE
HARDEE	98160	WWTP ZOLFO SPRINGS SPRAYFIELD DEBRIS STAGING AREA

Please feel free to contact me with any questions or concerns.

Thanks, Melissa

Alexis,

With the current forecast, it appears to be time to request activation of the four temporary debris sites for Hardee County. As I recall you or Steve handled this temporary permit two years ago. If not you, please forward to the appropriate person and copy me.
