Dear Mr. Tafuni,

SCS Engineers and Hillsborough County representatives met this afternoon and would like to incorporate some of the items discussed into the August 2019 monthly progress report. SCS Engineers plans to make revisions and submit a finalized version to the Florida Department of Environmental Management by close of business Monday, September 16, 2019.

Please contact Kollan Spradlin (813-804-6706) if you have any questions or require additional information.
