Good morning Tony:

I hope you're well. I'm looking over the Hardee County Landfill case file and see the Quarter 2 2019 leachate generation report was not submitted. Please compile the required data and send that report to me. I believe that the report should cover April-July 2019. It would best if the report is submitted by Friday, September 27. Please contact me with your questions or concerns.

Thanks,
Alexis
