## STATE OF FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION NOTICE OF PROPOSED AGENCY ACTION

The Department of Environmental Protection gives Notice of its Intent to grant approval of an alternate procedure pursuant to Rule 62-701.310, Florida Administrative Code (F.A.C.), to the Hillsborough County Solid Waste Management Division for an exception from compliance with subparagraph 62-701.400(3), F.A.C. at Phases I-VI of the Hillsborough County Southeast County Landfill (SCLF) in Hillsborough County, Florida. Specifically, Petitioner requests relief from the requirements of subparagraph 62-701.400(3), F.A.C. in Phases I-VI of the SCLF which require that landfill liner systems be designed to limit the hydraulic head above the liner, during routine landfill operations after placement of initial cover, to no greater than 12 inches.

The Department's file on this matter is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the Division of Waste Management, Solid Waste Section, 2600 Blair Stone Road, Tallahassee, Florida 32399-2400.

Persons whose substantial interests are affected by the above proposed agency action have a right, pursuant to Sections 120.569 and 120.57, Florida Statutes (F.S.), to petition for an administrative determination (hearing) on the proposed action. The petition must contain the information set forth below, pursuant to Rule 28-106.201, F.A.C., and must be filed (received) in the Department's Office of General Counsel, 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000, within 21 days of publication of this notice. A copy of the Petition must also be mailed at the time of filing to the applicant at the address indicated. Failure to file a petition within 21 days constitutes a waiver of any right such person has to an administrative determination (hearing) pursuant to Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will be only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

A petition that disputes the material facts on which the Department's action is based must contain the following information:

- (a) The name and address of each agency affected and each agency's file/identification number;
- (b) The name, address, e-mail address, facsimile number, and telephone number of the petitioner, if the petitioner is not represented by an attorney or a qualified representative; the name, address, telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests will be affected by the agency determination;
- (c) A statement of when and how each petitioner received notice of the Department's decision;
- (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;
- (e) A concise statement of the ultimate facts alleged, including the specific facts the petitioner contends warrant reversal or modification of the Department's decision;
- (f) A statement of the specific rules or statutes the petitioner contends require reversal or modification of the Department's decision; and
- (g) A statement of the relief sought by the petitioner, stating precisely the action the petitioner wants the Department to take with respect to the Department's decision.

If a petition is filed, the administrative hearing process is designed to formulate agency action. Accordingly, the Department's final action may be different from the position taken by it in this Notice. Persons whose substantial interests will be affected by any decision of the Department with regard to the application have the right to petition to become a party to the proceeding. The petition must conform to the requirements specified above and be filed (received) within 21 days of publication of this notice in the Office of General Counsel of the Department at the above address. Failure to petition within the allowed time frame constitutes a waiver of any right such person has to request a hearing under Section 120.57, F.S., and to participate as a party to this proceeding. Any subsequent intervention will only be at the approval of the presiding officer upon motion filed pursuant to Rule 28-106.205, Florida Administrative Code.

In accordance with Section 120.573, F.S., the Department advises that mediation is not available in this case under the provisions of that statute. This does not prevent any interested parties from agreeing to other forms of alternate dispute resolution.
