Attention: Mr. Lourenco

DEP Permit No.: 0019600-015-SO-30

In accordance with Specific Condition 2.B.2. of the above referenced permit, a Certification of Construction Completion (CCC) on DEP Form 62-701.900(2), F.A.C. was submitted to the Department. The CCC form prepared by Guerra Development Corp., dated May 20, 2020, received by the Department on May 21, 2020. Supporting documentation was received June 9, 2020.

The certification pertains to the construction of a Class I, III, and C&D waste processing facility building and supporting infrastructure including access roadways, scale house, stormwater management facilities, leachate storage tank, water and sanitary sewer systems, and access control features. No deviations were presented in the report. Based upon review of the CCC and supporting documentation, the Department has no objections to the submitted certification.

Most of the information received or sent by the Department is public record and is placed in the Department's OCULUS electronic database. You may view this document and others for this facility at the following link:
