a. Explain all inventory adjustments.

b. List any period in which one or more category of inventory exceeded the permitted maximum for that category. How was that condition relieved?

2nd Qt. 2020 City of Jacksonville began no charge tire delivery for Covid-19 economic stimulus. Storage capacity exceeded with Notification to Department. Temporary approval granted.

For any excess inventory at the end of the quarter, state how and when this condition will be relieved. Attach Additional sheets, if necessary.

Working with vendor to increase acceptance rate, and identifying additional vendors to accept tires for processing. Ending inventory includes several hundred tons of off-highway tires that will be landfilled

9. Certification: To the best of my knowledge and belief, I certify the information provided in this report is true, accurate, and complete.
