Summary:

Overall Result: Passed Inspector Notes: All deficiencies have been corrected at this time.

Closing Notes:

<p>*Deficiencies noted shall be corrected in a timely manner and reported to the Fire Prevention Division by correspondence and verified by a follow up inspection. Failure to comply will result in code enforcement action resulting in possible fines or closure of business if imminent danger to occupants is determined by the Authority Having Jurisdiction (AHJ).</p> <p>*For the first re-inspection there will be no cost. However, for the second re-inspection and any thereafter a cost may be charged at twice the rate for the building's size. The minimum fee assessed will be \$50.00, which is twice the minimum charge based on the square footage on building.</p>
