REQUEST FOR ADDITIONAL INFORMATION

July 9, 2021

Applicant
Anthony Roman
242 W. Keene Road
Apopka, FL 32703

Re: First Request for Additional Information (RAI)
Orange County – Solid Waste
Facility Name: Vista Landfill
Facility ID: 87081
DEP Application No.: 0165969-032-SO-MM

Dear Mr. Roman:

Thank you for your application for the modification of the operation permit submitted on June 11, 2021 for the above referenced Facility. A review of your application and supporting documentation indicates the application is incomplete. Please provide the information listed below and refer to this RAI in your response. The response to this RAI must be signed, sealed, and dated by a registered Florida Professional Engineer.

1. Operation Plan: Please provide an updated Operations Plan with the following revisions in accordance with 62-701.500(2), F.A.C.:
 - a. Has the Class III Cell 6 accepted waste for disposal? If so, please revise Section 6.1 of the Operation Plan to include cell 6.
 - b. Please update the Operation Plan to submit notifications and records to:
Florida Department of Environmental Protection
Central District Office
3319 Maguire Boulevard, Suite 232
Orland, Florida 32803-3767
DEP_CD@dep.state.fl
(407) 897-4100
 - c. Update the Operation Plan to include the revisions provided in the application.

2. Please note the Solid Waste Construction Permit No. SC48-0165969-019 authorizing the construction of Phases I and II, cells 3-8 was issued on 10/30/2012 and expired on 08/28/2017. The facility will need to apply for and receive a new construction permit prior to construction of Phase II cells 7 and 8. 62-701.320 (1) F.A.C.
3. Please provide a status update on the Gas Collection System Expansion construction included in the 7/6/2020 notification email. Please note the Gas Collection System Expansion was approved in the 2/26/13 Solid Waste Operation Permit No. 0165969-020-SO which incorporates -018, -021, and -022. This modification included the Gas Collection System Expansion in cell 1 through cell 4. An operation permit modification to the operation permit will need to be authorized prior to additional expansion of the gas collection system. 62-701.320 (1) F.A.C.
4. Please note the Solid Waste Construction / Operation Renewal Permit – Waste Processing Facility No. 0165969-025-SO-31 issued on 4/9/2015 expired on 3/27/2020. The Material Recovery Facility was never constructed therefore language in the Operation Permit pertaining to the Waste Processing Facility has been removed.

To continue the processing of your application, the Department must receive a response within 90 days of this letter, unless a written request for additional time to provide the requested information is submitted and approved. It is the Department's desire to provide prompt turnaround times on permit applications, and a quicker response to this RAI shortens the timeframe for which a final decision on the application can be made. Pursuant to Rule 62-4.050, F.A.C. and Section 120.60, F.S., failure of an applicant to provide timely requested information by the applicant deadline may result in denial of the application. You are encouraged to contact this office to discuss the items requested to assist you in developing a complete and adequate response.

Your processor will be Jeremy.R.Hart@FloridaDEP.gov and can be contacted at (850) 245-8961, Jeremy.R.Hart@FloridaDEP.gov. Please submit your response by email to SWPP@FloridaDEP.gov, with a copy to Jeremy.R.Hart@FloridaDEP.gov.

Sincerely,

Jeremy Hart, P.G.
