**Subject:** RE: Request for Additional Information – Robert and Sons Tires Corporation – Project No. 385348-001-WT/02

Hi Emily,

I got a call from someone who is going to get the Notice of Application published. I anticipate we may have proof of publication in the next two weeks. Also, Roberto indicated that he would get me the fire inspection report next week when he is back in Florida.

I haven't heard from Tor, so am not sure how far along they are with the financial.

I will forward the application form (with the correct applicant name) with the affidavit for Notice of Application when I get it.

Have a great day,

Thanks,

*Susan Pelz*

Hi Emily,

The last thing I heard was that Roberto was working with Tor to get the financial assurance funded. I haven't heard any update regarding the fire safety inspection or the notice of application. I will reach out to him and see if he has done them.

I saw Tor's email about the application form not matching sunbiz. I will correct the app form when I submit the response to the RAI.

Thank you for your patience,  
Have a good weekend.

Susan

Good afternoon Mr. Vargas:

As a reminder, the response to the request for additional information (RAI) found at the link below is due no later than **June 11, 2020**. The RAI response must be signed, sealed, and dated by a registered Florida Professional Engineer and must include the following items in order to complete your application for a Waste Tire Processing Facility:

1. Proof of financial assurance in the amount of the closing cost estimate approved by the Department on March 4, 2020;
2. Proof of publication of the Notice of Application; and
3. A copy of the fire safety survey required by DEP Form # 62-701.900(23) and Rule 62-711.540(1)(d), F.A.C.

Please let me know if you have any questions or concerns.

Thank you,

**Emily Wargo**

Greetings,

The Department of Environmental Protection is using electronic correspondence rather than paper mail to deliver documents faster while reducing costs and waste. Please click on the link below to access the above referenced document in OCULUS, the Department of Environmental Protection's electronic document management system.

[https://depdms.dep.state.fl.us:443/Oculus/servlet/shell?command=getEntity&\[guid=8.310175.1\]&\[profile=Permitting\\_Authorization\]](https://depdms.dep.state.fl.us:443/Oculus/servlet/shell?command=getEntity&[guid=8.310175.1]&[profile=Permitting_Authorization])

**To access the documents in OCULUS:**

1. Click on the link to open OCULUS at the Login screen.

2. Click on PUBLIC OCULUS login to view the search results screen.

3. Click the arrow button next to *view* in the Operations drop-down menu to open and view the document in its native format. Most OCULUS documents are in .pdf format. Acrobat Reader is required to read the document. The free reader can be downloaded from <http://www.adobe.com/products/reader.html>.

If you are interested in reviewing documents from the Department's Information Portal, you can access the portal at <http://prodenv.dep.state.fl.us/DepNexus/public/searchPortal>.

Thank you for your attention to this matter.
